Monitoring Procurement Documents (Field Users) Requesting PO Close – POs that have <u>NOT</u> been Dispatched

GEARS
General Enterprise and Resource Support

Last Update: 01/05/2015

Important!

POs that have <u>NOT</u> been Dispatched include:
- POs created in GEARS by mistake or no
longer needed
- PO Status may include – Approved,

- Canceled, Denied, Pending Approval
 POs with Budget Error
- *Analyzing POs with NO activity to see if any are eligible to be closed should be a part of your ongoing Monitoring Procurement Documents routine.
